

## Lennart E. Lindahl

Lennart Lindahl is a 1965 honors graduate from the University of Florida College of Engineering and a Florida Registered Professional Engineer. For 37 years he was President and Chairman of LBFH, Inc., Consulting Engineers with six Florida offices and a staff of 225 engineers and technicians. LBFH, Inc. was purchased in 2006. He is a member of several engineering organizations including the Florida Engineering Society where he was recipient of the 2008 Statewide award for Service to the Profession and the National Society of Professional Engineers where he was recipient of the 2009 National award for Engineering Service from the Professional Engineers in Private Practice. He is currently a semi-retired single practitioner involved in selective engagements under the corporate name of Retaw Advisors.

His public service includes appointments by Governors Martinez and Chiles to eight years on the Board of Commissioners of the Florida Inland Navigation District, where he served four years as Treasurer and two years as Chairman of the Commission. He was also appointed by Governor Bush to the South Florida Water Management District Governing Board where he served six years including Vice Chair of the Board, Chairman of the Audit and Finance Committee, and Chairman of the Land Resources and Regulatory Committee.

His civic activities include member of the Board, officer and chairman of both the Palm Beach County Economic Council and the Palm Beach County Business Development Board. Additionally, he has served on numerous Advisory Boards, Committees and Special Task groups for governments, civic organizations and private initiatives.

He and his wife, Ann, have been married for 46 years and residents of the Jupiter/ Tequesta area for the past 40 years. They have two grown children and three grandchildren.
